META TECHNOLOGY

Meta Platforms, Inc., doing business as Meta, and formerly named Inc., and, Inc., is an American multinational technology conglomerate based in Menlo Park, California. The company owns and operates Threads,, among other products and services.

The development of Metaverse has accelerated in the post-epidemic period as communication over the internet has become more common and the need for expanded use cases has grown.

Metaverse is actually a physical, augmented, and visual integration, and blurs the line between your online interactions and real life.
